Gentlemen:

Enclosed for your review are two (2) copies of the Eleventh Quarterly Update to the Historical Release Report (HRR) for January 1, 1995 through March 31, 1995. This report is being submitted in accordance with the Interagency Agreement (IAG), Sections I.B.3 Notification and I.B.5 Historical Release Report. Please sign the HRR Quarterly Update Acceptance Form provided on page 2 of the update and return the signed form to the Department of Energy (DOE) Rocky Flats Field Office (RFFO). This was agreed upon in the March 31, 1994 meeting between DOE, the Environmental Protection Agency (EPA) and the Colorado Department of Public Health and Environment (CDPHE).

The Seventh, Eighth, Ninth, and Tenth Quarterly Updates for the HRR were transmitted to your offices on June 15, 1994, August 23, 1994, December 12, 1994, and March 3, 1995, respectively. RFFO has not yet received the signed HRR Quarterly Update Acceptance Forms from either EPA or CDPHE to indicate acceptance or non-acceptance of the four updates.

Please contact Norma Castaneda at 966-4226 if you should have any questions regarding this submittal.

Sincerely,
